COMPARING QUOTES?

Make sure you're comparing apples with apples.

Two quotes for the same windows can look alike and be nothing alike. Ask each business the same questions, then tick what each quote includes.

WHAT TO CHECK	TWILIGHT	QUOTE 2	QUOTE 3
Where it's made Ask where it's actually manufactured	✓ Made in Australia	☐	☐
Measured on site By the team that will install it	✓ Every window, and the measure is free	☐	☐
Made to measure To the measurements of your windows	✓ Never cut down from a standard size	☐	☐
Fabric samples in your own home So you see them in your own light	✓ Brought to your measure	☐	☐
Installed by their own team Not passed on to someone else	✓ The people who measured, and we tidy up	☐	☐
Every window listed With the product, style and installation	✓ Shown window by window on your quote	☐	☐
A warranty you can use And who looks after it	✓ 2 years on manufacturing defects,* with us directly	☐	☐
Australian safety standards Including child safety	✓ Everything we supply complies	☐	☐

Got another quote?

We're happy to go through it with you, so you can compare like with like. Some quotes are confidential, so only share what you're comfortable with. Cover up prices or names if you like, and anything you show us stays private.
